

YOUR HEALTH AND WELL-BEING ARE OUR TOP PRIORITIES.

Using your home delivery benefits.

At Cigna, we're closely monitoring coronavirus (COVID-19) so we can best support you and your family's health. The Centers for Disease Control and Prevention say the best way to prevent illness is to avoid exposure to the virus and to stay home.

Your benefits include home delivery. Let us help by delivering the medications you and your family take every day, right to your home.

As part of your benefit, you get:

- › Standard shipping **at no extra cost.**¹
- › **Fill up to a 90-day supply** at one time.
- › **Manage your medications and track your orders online** using the myCigna® App or website.
- › **24/7 access to licensed pharmacists** – from the privacy of your home.

Two easy ways to get started with home delivery.

- › **Call your doctor's office** and ask them to send your prescription for a 90-day (or 3-month) supply electronically to our home delivery pharmacy. Or,
- › **Call us at 800.835.3784.** We'll contact your doctor's office to get your prescription.
