

Cigna Healthcare Digital Enhancements.

At Cigna HealthcareSM we're all about helping our customers make smarter healthcare decisions. The more your employees are digitally engaged the better the care, the outcomes and the costs. We are committed to delivering a superior experience for our Customers and Clients through frequent enhancements and updates to our digital experience.

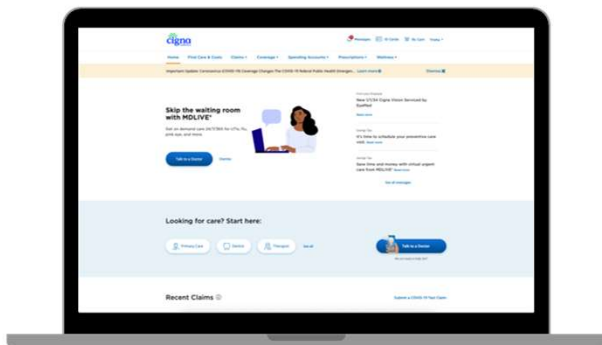

New enhancements made March 14 through April 10.

Online Behavioral Scheduling Now Available for Evening & Weekend Appointments

Online appointment scheduling for consultations with Alma and Evernorth Behavioral Care Group Providers is now available on myCigna for night and weekend appointments. These 10-15 minute consultations allow customers to consult with a behavioral health provider to determine if they are a good match for ongoing care.

MDLIVE Promotion on myCigna Home Page

To remind customers of the availability of MDLIVE services for virtual care, some customers may begin to see a promotional spotlight message on the myCigna[®] home page. This spotlight message is aimed at helping customers get quick access to virtual care.

Offered by Cigna Health and Life Insurance Company or its affiliates.
